

I do

Write the coordinates of P.
Along the corridor, then up the stairs.

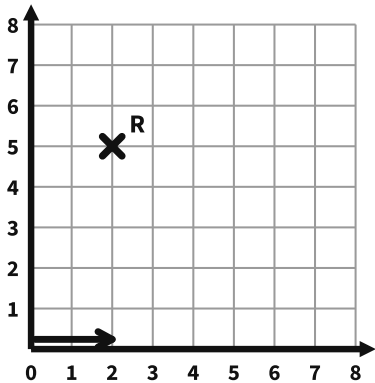

We do

Write the coordinates of Q.
Along the corridor, then up the stairs.

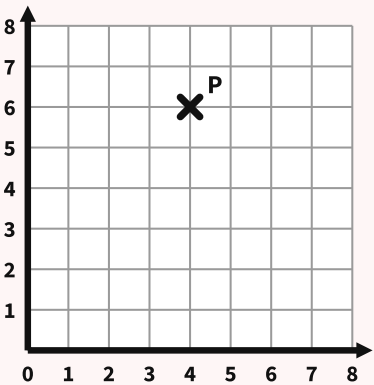

You do

Write the coordinates of R.
Along the corridor, then up the stairs.

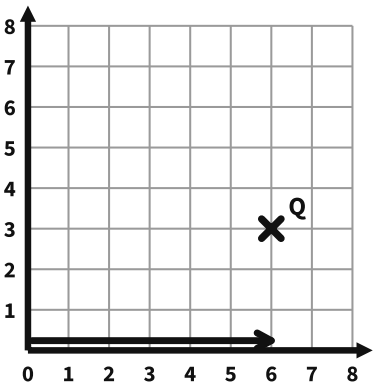

I do

Write the coordinates of P.
Along the corridor, then up the stairs.

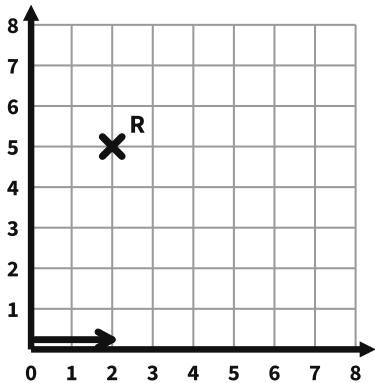

We do

Write the coordinates of Q.
Along the corridor, then up the stairs.

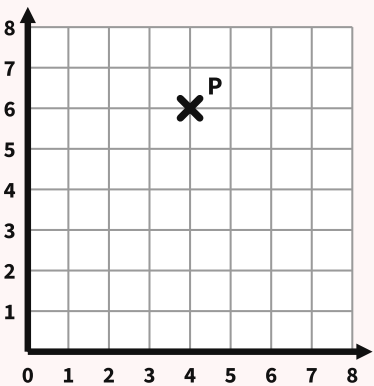

You do

Write the coordinates of R.
Along the corridor, then up the stairs.

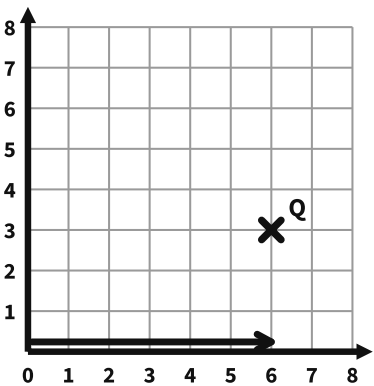

I do

Write the coordinates of P.
Along the corridor, then up the stairs.

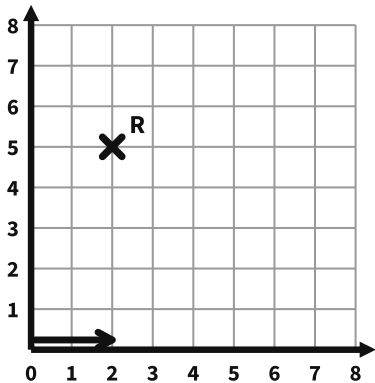

We do

Write the coordinates of Q.
Along the corridor, then up the stairs.

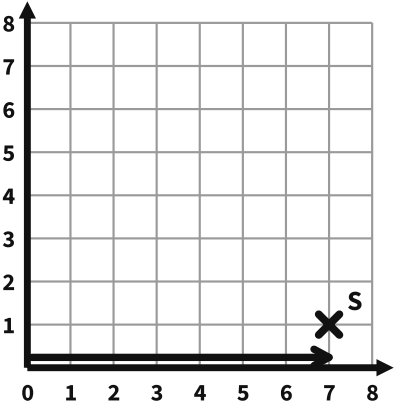

You do

Write the coordinates of R.
Along the corridor, then up the stairs.

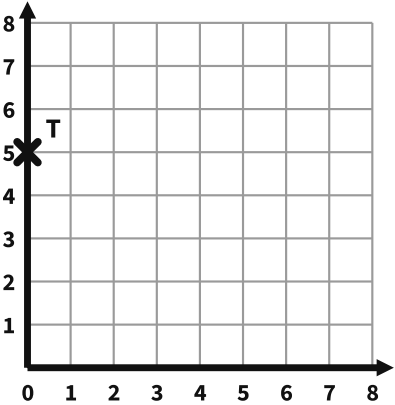

You do

Write the coordinates of S.
Along the corridor, then up the stairs.

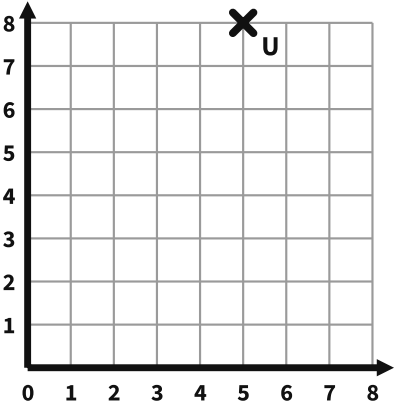

You do

Write the coordinates of T.
Along the corridor, then up the stairs.

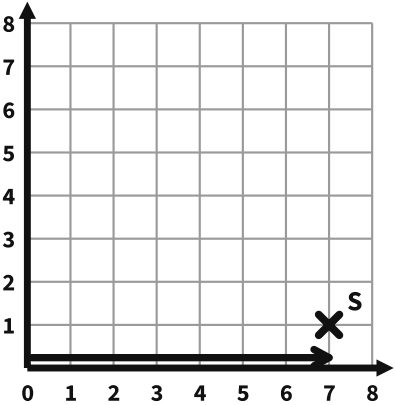

You do

Write the coordinates of U.
Along the corridor, then up the stairs.

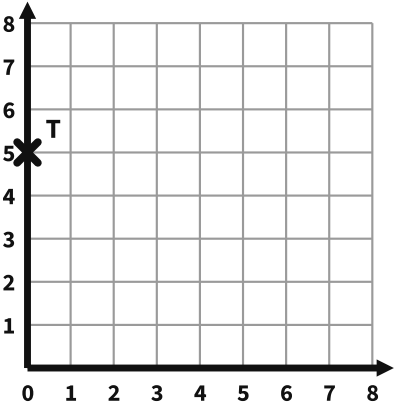

You do

Write the coordinates of S.
Along the corridor, then up the stairs.

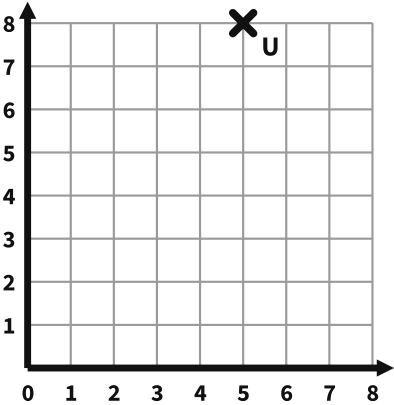

You do

Write the coordinates of T.
Along the corridor, then up the stairs.

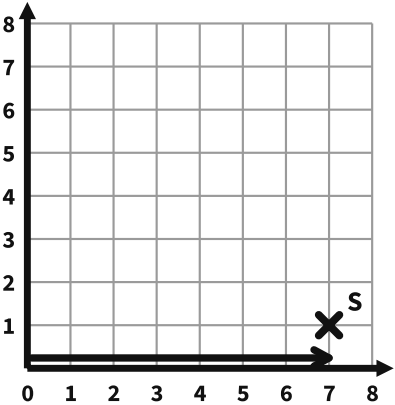

You do

Write the coordinates of U.
Along the corridor, then up the stairs.

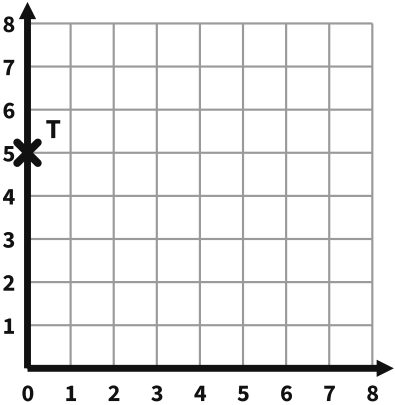

You do

Write the coordinates of S.
Along the corridor, then up the stairs.

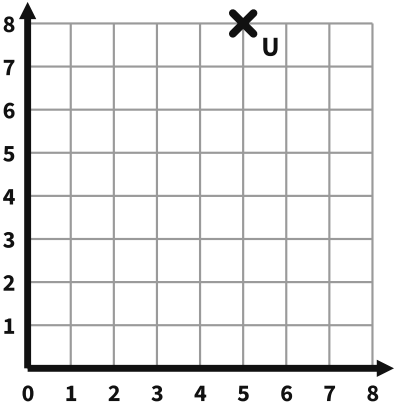

You do

Write the coordinates of T.
Along the corridor, then up the stairs.

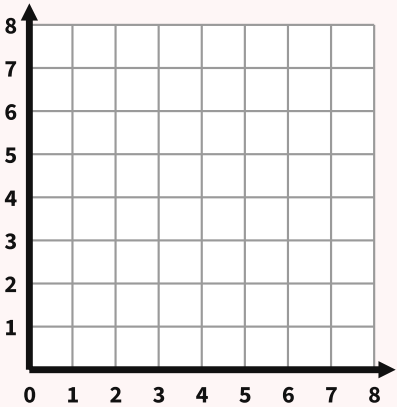

You do

Write the coordinates of U.
Along the corridor, then up the stairs.

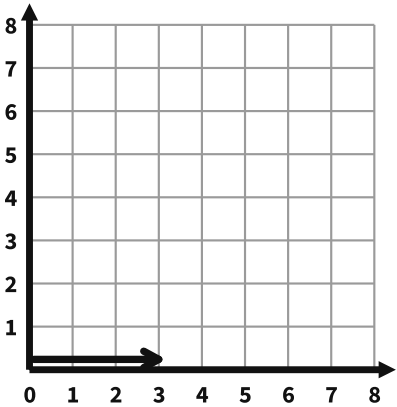

I do

Plot the point A (5, 2).
Along the corridor, then up the stairs.

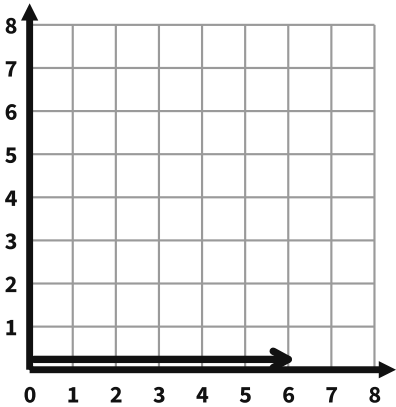

We do

Plot the point B (3, 6).
Along the corridor, then up the stairs.

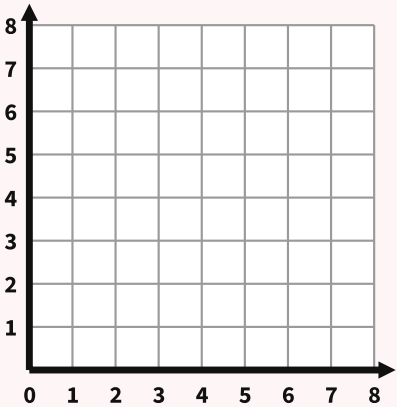

You do

Plot the point C (6, 7).
Along the corridor, then up the stairs.

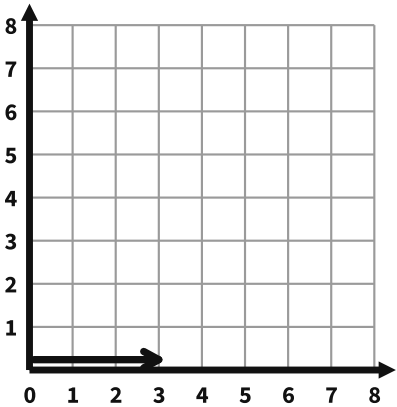

I do

Plot the point A (5, 2).
Along the corridor, then up the stairs.

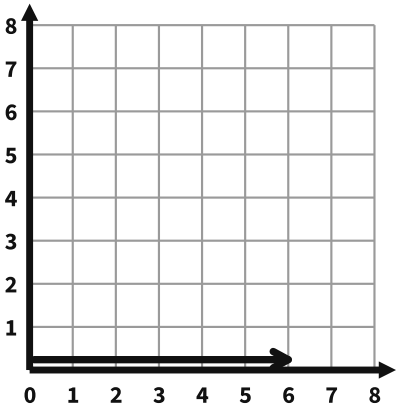

We do

Plot the point B (3, 6).
Along the corridor, then up the stairs.

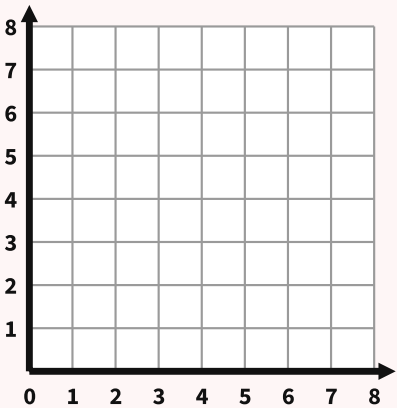

You do

Plot the point C (6, 7).
Along the corridor, then up the stairs.

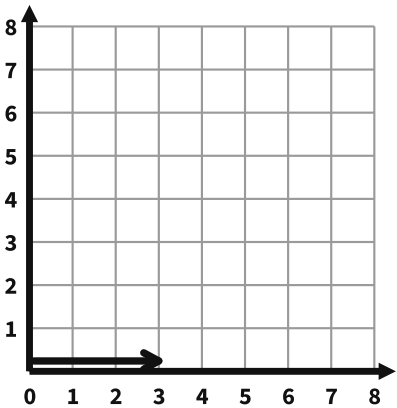

I do

Plot the point A (5, 2).
Along the corridor, then up the stairs.

We do

Plot the point B (3, 6).
Along the corridor, then up the stairs.

You do

Plot the point C (6, 7).
Along the corridor, then up the stairs.

I do

A, B and C are three corners of a rectangle. Plot the fourth corner, D. Write its coordinates.

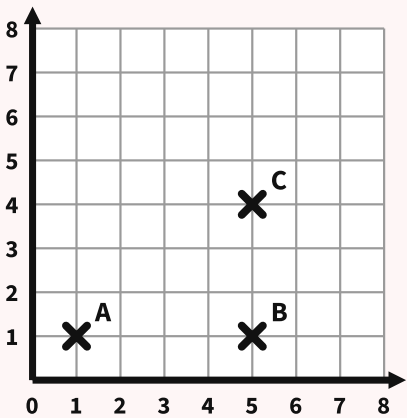

You do

A, B and C are three corners of a rectangle. Plot the fourth corner, D. Write its coordinates.

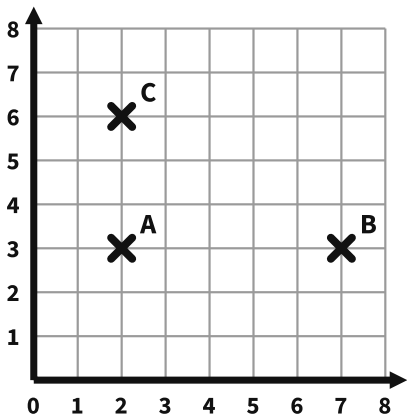

I do

A, B and C are three corners of a rectangle. Plot the fourth corner, D. Write its coordinates.

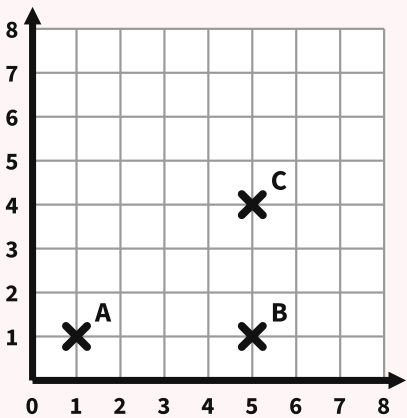

You do

A, B and C are three corners of a rectangle. Plot the fourth corner, D. Write its coordinates.

I do

A, B and C are three corners of a rectangle. Plot the fourth corner, D. Write its coordinates.

You do

A, B and C are three corners of a rectangle. Plot the fourth corner, D. Write its coordinates.
