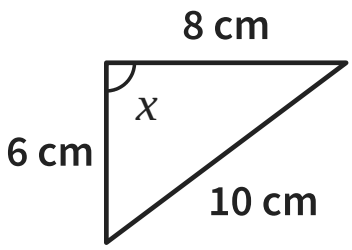
The cosine rule *lesson handout*

We do

Find angle x.



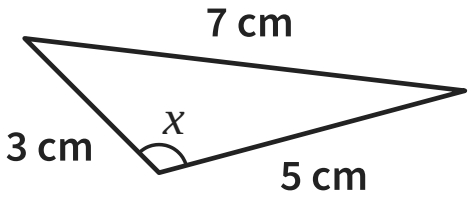
cos x =

cos x =

x =

You do

Find angle x.



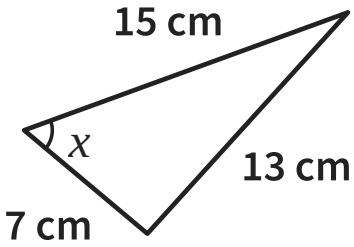
cos x =

cos x =

x =

You do

Find angle x.



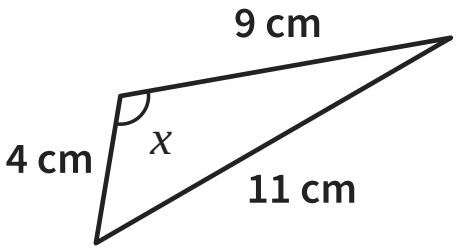
cos x =

cos x =

x =

We do

Find angle x to 1 decimal place.



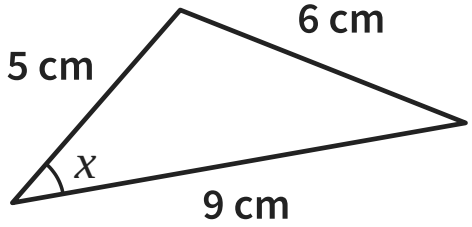
cos x =

cos x =

x =

You do

Find angle x to 1 decimal place.



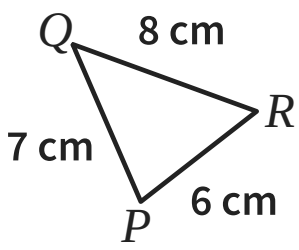
cos x =

cos x =

x =

You do

Find angle PQR to 1 decimal place.



cos Q =

cos Q =

Angle PQR =
