

Relative frequency: more trials *lesson handout*

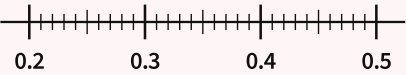

The Maths Habit

I do

A spinner is spun. Blue is counted.

Spins	20	100	400
Blue	7	31	128
Relative frequency			

Best estimate _____

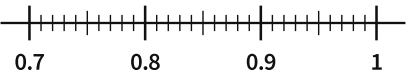

We do

A player takes penalties.
Goals are counted.

Penalties	10	50	200
Goals	9	38	156
Relative frequency			

Best estimate _____

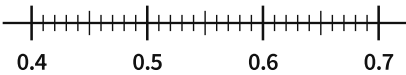

You do

A toy brick is dropped. It can land the right way up.

Drops	20	100	500
Right way up	13	54	245
Relative frequency			

Best estimate _____

Relative frequency: more trials *lesson handout*
