

Algebraic notation: multiplying

Exit ticket Name _____

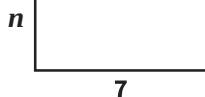

1 Write the area.

1 Multiply the sides

$$\text{Area} = n \times 7$$

2 Number first, then a to z

$$= \square \times \square$$

3 Leave out the $\times$ sign

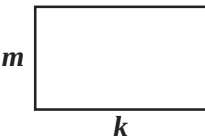

2 Write the area.

1 Multiply the sides

$$\text{Area} = \square \times \square$$

2 Number first, then a to z

$$= \square \times \square$$

3 Leave out the $\times$ sign

3 Write $b \times 9$ using algebraic notation.
