

The equation of a line from its graph

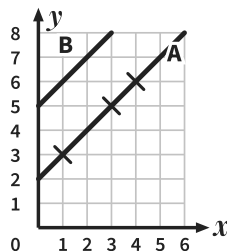

Exit ticket Name _____

- 1 These three points are on a line.
Find the equation of the line.

x	1	3	4
y	6	6	6

=

- 2 Complete the table for line A.
Find its equation.

x			
y			

$y = x +$

- 3 Find the equation of line B.

The Maths Habit

The equation of a line from its graph

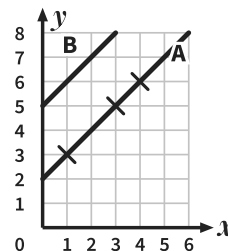

Exit ticket Name _____

- 1 These three points are on a line.
Find the equation of the line.

x	1	3	4
y	6	6	6

=

- 2 Complete the table for line A.
Find its equation.

x			
y			

$y = x +$

- 3 Find the equation of line B.
