

Volume of prisms

Exit ticket ANSWERS

Name _____

- 1 Work out the volume of the cuboid.

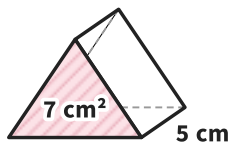

Cross-section $5 \times 2 = 10 \text{ cm}^2$

Volume = 90 cm^3

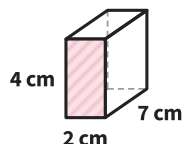

- 2 Work out the volume of the prism.

Volume $7 \times 5 = 35 \text{ cm}^3$

35 cm^3

- 3 Work out the volume of the cuboid.

56 cm^3
