

Find the Spot: Shading Regions

ANSWERS

Three new things are going into the park. For each one, shade the region where all its rules are true. Only one lettered spot is left in it. Use a ruler and a pair of compasses. **1 cm represents 20 m.**

1 The oak tree

- less than 100 m from the Bandstand
- nearer to the Canal than to Park Road
- more than 60 m from the Gate

It is at spot

H

2 The picnic tables

- less than 40 m from Park Road
- nearer to the Cafe than to the Gate
- more than 60 m from the Playground

It is at spot

I

3 The sculpture

- less than 100 m from the Cafe
- more than 100 m from the Bandstand
- nearer to the Playground than to the Gate

It is at spot

E
